Sub: NO VEHICLE DAY IN UNIVERSITY

As you all are aware of the very fact that we are facing lots of problems in terms of pollution. Thereby we have decided to observe every last Saturday of the month as "NO VEHICLE DAY". This shall reduce pollution caused by vehicles.

All (students/ staff) are requested to come as pedestrians or via bicycle, public transport or by pooling in a vehicle. You all are also requested to kindly make people aware of this noble step.

We as teachers need to set example for the society and therefore I hope and believe that every one of us shall abide by it.
